

Ethereal Presence

for Cyberinet

Matthew A. Bardin

2023

MaB Music

Program Note:

It is impossible to do anything in a complete vacuum. Others affect you, you affect others. Living with this is part of the human condition.

On Notation:

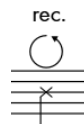

This score uses largely traditional notation. Fermatas and long rests can be held for any duration. Half rests and shorter should be played in tempo.

Double Bar lines indicate different sections of the work and do not imply a pause as the rests do.

Dashed bar lines are provided to help with counting various sections, but may be ignored by the performer if desired.

Specific performance gestures are used in order to control the software portion of this composition. These gestures are used to control and alternate between two different effects applied to the accompanying sound, and are represented with three different symbols.

This symbol circular indicates making a quick, counterclockwise rotation of the instrument with the wrist. The general position of the instrument should not change, as the rotation axis is Cyberinet itself. This is the only required symbol for the performance as it is used to switch between effects. The remaining two symbols are suggested, but not required.

This dotted line symbol is used to indicate a relatively slow, exaggerated, horizontal bell movement. This gesture is used to control the filtered noise effect as discussed in "On Software". When the movement is to the left, the filtered noise range expands, and then decreases when movement is to the right.

This swooping symbol indicates a repeating movement. Horizontal movements are not measured when swapping to this state (see circular symbol for switch) horizontal movements are not measured, but are recommended to create a more natural movement. This gesture increases the harmonization pitch of the second synthesizer when rising, and decreases it when moving downwards. The movement begins when the symbol appears, and continues for the duration of that note plus any tied or slurred note.

Cyberinet Hardware:

This solo requires the use of Cyberinet hardware and software to perform. More information about this equipment can be found at matthewbardin.com/cyberinet.

Performance Notes:

Tempi are all approximate. The performer can perform the piece at any desired tempo. Accelerando and Rallentando should still happen at the indicated places, but the amount can vary. The goal is a uniquely paced performance; no two should be identical. The performer should experiment with the max patch to find a balance of synthesizer changes that they feel comfortable with, but in general, should have exaggerated performance movements to help with the synthesizer automation.

On Software:

The Max patch for this composition can be downloaded at matthewbardin.com/ethereal. The movement sensors are utilized for collecting data to control two synthesizers within the Max environment. The computer running this patch should be connected to an output speaker loud enough to match volume with the Soloist.

The first synthesizer generates backing through filtered noise. The range of frequencies allowed through the filter are determined by horizontal directional movement. These frequencies produce a textural background.

The second synthesizer produces a single through FM synthesis. The specific pitch is determined through a microphone placed in front of the performer to detect the pitch they are playing in real time. That value is then scaled based on the vertical position of the instrument. This tone is intended to accompany the soloist as a secondary voice.

Because the performer will perform at differing tempi and styles, they will have unique movements to be picked up by the Cyberinet. This will result in an ethereal accompaniment that is unique to every performance.

Ethereal Presence

For the Cyberinet

B *a tempo* I

First system of musical notation for section B. It begins with a treble clef and a whole rest. A circular arrow indicates a repeat. The melody starts on a half note B4, followed by a series of eighth notes: C5, D5, E5, F5, G5, A5, B5, A5, G5, F5, E5, D5, C5. The melody is tied to a whole note B5 in the next measure. The bass line consists of a series of descending eighth notes: B3, A3, G3, F3, E3, D3, C3, B2, A2, G2, F2, E2, D2, C2. The dynamics range from *ppp* to *f*.

accel......*a tempo*

Second system of musical notation for section B. The melody continues with eighth notes: C5, D5, E5, F5, G5, A5, B5, A5, G5, F5, E5, D5, C5. The bass line consists of a series of descending eighth notes: B3, A3, G3, F3, E3, D3, C3, B2, A2, G2, F2, E2, D2, C2. The dynamics range from *mp* to *ff*. The system ends with a repeat sign and a *ppp* dynamic.

Third system of musical notation for section B. The melody continues with eighth notes: C5, D5, E5, F5, G5, A5, B5, A5, G5, F5, E5, D5, C5. The bass line consists of a series of descending eighth notes: B3, A3, G3, F3, E3, D3, C3, B2, A2, G2, F2, E2, D2, C2. The dynamics range from *f* to *ppp*. The system ends with a repeat sign and a *ppp* dynamic.

C

First system of musical notation for section C. It begins with a treble clef and a whole rest. A dashed line with arrows at both ends indicates a repeat. The melody starts on a half note B4, followed by a series of eighth notes: C5, D5, E5, F5, G5, A5, B5, A5, G5, F5, E5, D5, C5. The bass line consists of a series of descending eighth notes: B3, A3, G3, F3, E3, D3, C3, B2, A2, G2, F2, E2, D2, C2. The dynamics range from *ff* to *pp*.

Second system of musical notation for section C. The melody continues with eighth notes: C5, D5, E5, F5, G5, A5, B5, A5, G5, F5, E5, D5, C5. The bass line consists of a series of descending eighth notes: B3, A3, G3, F3, E3, D3, C3, B2, A2, G2, F2, E2, D2, C2. The dynamics range from *ppp* to *mp*.

Third system of musical notation for section C. The melody continues with eighth notes: C5, D5, E5, F5, G5, A5, B5, A5, G5, F5, E5, D5, C5. The bass line consists of a series of descending eighth notes: B3, A3, G3, F3, E3, D3, C3, B2, A2, G2, F2, E2, D2, C2. The dynamics range from *mf* to *ff*.

a tempo

1

The first staff of music is in treble clef and 3/4 time. It begins with a key signature change from one sharp (F#) to one flat (Bb), indicated by a double bar line and a key signature change symbol. The melody consists of five notes: a half note G4, a quarter note A4, a quarter note Bb4, a half note G4, and a quarter note F4. The notes are marked with dynamic symbols: *mf* (mezzo-forte) under the first note and *p* (piano) under the last note. The staff ends with a double bar line.
