

Try to find a way out (♩ = 72)

Repeat section until narration finishes (0:28)

Complete final repeat, then move on to second ending.

1.

Vertical Bell Bobbing

59

f

As I ran, I could feel it getting closer. By this point it was on the second floor with me as I hurried to the door.
Luckily when I grabbed the veranda door handle, it flew open and I tumbled outside onto the balcony. (0:28)

Press button to progress when ready.
Continue in time.**Begin to panic**
