

Raindrops on a Tin Roof

Transposing Performance Score

Matthew A. Bardin (ASCAP)

Dreary and relaxed (♩ = 56)

Press button to begin playback when ready.

walk to stand 1 if not already there

Repeat measure until narration finishes. (1:32)
Play through final repeat before moving on

Cyberinet in Bb

Synthesizer

White flash... 9,10,11... crash! The storm outside was gradually drawing closer.
...
Hopefully this would move past without too much trouble, but it didn't seem to be moving any faster than before. (1:32)

Press button to progress when ready. Enter in time.

I decided to take a break from reading and turned on the TV instead.
...

molto rall......

5

p

At least the power was still on for now.
...

a tempo

Wait until narration completes
before progressing (0:57)
