E **It chases you** (♩ = 120)

Wait for previous narration to finish (0:54)
Press button to progress. ***Section repeats 1 time.***

Vertical Bell Bobbing

The basement door broke open with a crack much louder than any of the thunder I'd heard so far.
...

Repeat section one time, backing track automatically repeats.

To the second floor

...
It had a glass door after all so I could use my body to break it open. What was a few more scrapes at this point? (1:04)

accel.
